

## How to monitor webpages using changedetection

1. Visit [www.changedetection.com](http://www.changedetection.com), enter your email address and click

The screenshot shows the homepage of ChangeDetection.com. The navigation bar includes links for Home, Webmasters, Directory, Compare, and Help. A 'Sign up' button is visible in the top right corner. The main content area features a 'welcome' message, a 'log in' section with a red circle around the email and password fields, and a 'monitor a page' section with input fields for 'Page Address' and 'Send alert to'. Below this is a 'recent changes to the internet' section with a list of updates, including 'Procedure File: 2011/2284(INI)' and 'Cursos interativos | Webinars 8/12 - quinta-feira 13:00 - Day trade x swing x position 18:15 - Análise técnica do mercado 12/12 - segunda-feira ... : Personale Radar FIA 15/12 - quinta-feira 13:00 - Day trade x swing x position 18:15 - Análise técnica do mercado 16/12 -'. A 'Local Meeting Directory' link is also present.

2. You will receive an email from robot@alert.changedetection.com with a confirmation code. Enter the confirmation code in the space provided, choose a password and enter it in the space provided.

The screenshot shows the sign-up confirmation page on ChangeDetection.com. A yellow box at the top contains a message: 'Please check your email, we sent your sign-up confirmation to roy.pavey@gmail.com' and a note: 'Note: If you are using a junk email blocking system, you might have to "white list" or unblock the address of our automated email server: robot@alert.changedetection.com.' Below this is the 'email address confirmation' section, which includes instructions to either click a link in the email or fill in the form. The form fields for 'Email address' (roy.pavey@gmail.com) and 'Confirmation code' (69635583) are circled in red. Below the form is a section for choosing a password, with 'Password' and 'Re-type password' fields also circled in red. At the bottom, there is a checkbox for 'I have read and agree to the ChangeDetection.com terms and conditions' and a 'Submit' button.

- This will take you to the welcome page. Enter the URL of the page you want to monitor in the “monitor a page” box and then click “next”. The URL for the MCERTS product certificates page is...<http://www.csagroupuk.org/services/mcerts/mcerts-product-certification/mcerts-certified-products/>

Automatic website change logs and notification

welcome

ChangeDetection.com provides page change monitoring and notification services to internet users worldwide. Anyone can use our service to monitor any website page for changes. Just fill in the form below, we will create a change log for the page and alert you by email when we detect a change in the page text. We've been doing it since 1999. It's free.

**monitor a page**

Page Address: www.csagroupuk.org/services/mcerts/mcerts-product-certification/mcerts-certified-products/

Send alert to: \_\_\_\_\_ Next

recent changes to the internet

Showing 1 - 5

91011 Sold Home Prices - La Canada Flintridge, CA 91011 Recently Sold Real Estate - realtor.com®

Mua hàng Mỹ - Ý kiến ban đọc

unknown title

- On the next page, you can choose whether to receive alerts once per day, once per week or once per month and you can assign a unique “alert name” (e.g. MCERTS Certified Products. Select “only send alert if text added” and click on “create”

Automatic website change logs and notification

monitor a page, step 2

We have successfully accessed the page. Now we recommend identifying this alert with a short name for easy reference.

When done press the Create button below.

Page Address: <http://www.csagroupuk.org/services/mcerts/mcerts-product-certification/mcerts-certified-products/>

Page Title: MCERTS Certified Products - CSA

Alert Name: MCERTS Certified Products - CSA

Send alert up to once per:  day  week  month  RSS only

only send alert if sizable change

only send alert if text:  added  removed

only send alert if  added  removed text contains these words: \_\_\_\_\_

submit the page to public directory

page content is:  suitable for most  for adults only or  other material unsuitable to all audiences

Create

- Your page monitor has now been created. You will receive an email alert, each time the list of MCERTS products is updated. Next time you visit [www.changedetection.com](http://www.changedetection.com), log in by entering your email address and password and then click on “summary”. Here you can add new pages you want to monitor or edit settings for pages you are monitoring.
